## Form-A-Line System<sup>TM</sup>

### by Aarco Products

Form-A-Line is the ideal solution to organizing and managing crowded areas such as: Airports, Hotel Lobbies, Banks and agencies of all types.

Choose from "Form-A-Line" System retractable belt type in brass, chrome and black or the traditional rope system in brass and chrome.

Form-A-Line products feature sturdy welded construction and a 30 lb. cast iron weighted base with rubber floor cushions. All units are 40" high overall. Belt type systems are equipped with 3 connecting clips and one belt for universal applications. Belts are 7' long and are equipped with locking mechanisms for tamper proof security. Form-A-Line is easy to assemble and is packed KD for convenient shipping.

Belts are available in red, green, blue and black for immediate shipment. Other colors on request.

## Traditional Rope Style Posts

Designed for a more traditional and elegant environment such as: Theaters, Museums, Classic Restaurants and Art Galleries. Traditional style posts feature sturdy welded construction and a heavy 30 lb. cast iron base for maximum stability. Easily assembled without tools. Conveniently packaged in two pieces in a UPS approved corrugated box. All units are plated and polished to perfection in chrome or brass. All units are 40" high overall.

Model #	Style
LS-7	Satin
LC-7	Chrome
LB-7	Brass

**Form-A-Line Ropes:** All ropes are carefully constructed of a fibrous core material covered in plush velours of red or black. Our spring loaded snap type connectors are easy to use and carefully polished in chrome or brass to coordinate perfectly with our traditional posts. Ropes are 5', 6' and 8' long.
